Bill/ Chris,

Can we do a conflicts check on Burisma Holdings Ltd. They are the largest independent Ukrainian oil and gas producer. I have worked with them on several issues and suggested that they should retain BSF. I would like to do a call with them on Friday. I have positioned the firm as being capable of all legal matters foreign and domestic, but also to help them think strategically about the current crisis and expansion of their existing domestic operations. To that end I thought it would be helpful to have both of you (I'll be in NY Friday and could do the call from Chris' office) and some combination of the Crisis Management and Government Response Team. And whomever else seems appropriate. Take a look at Burisma.com. Thanks.
