FYI, Onyshchenko in the news again in this very long article. This time there are accusations that Burisma allegedly had a subsidiary dump natural gas as a way to pay bribes. Mentions that Hunter Biden and former Polish President Kwasniewski are on the Burisma board.

Onyshchenko accuses Poroshenko of pressuring Burisma, energy firm linked to Biden, Kwasniewski

By Oleg Sukhov

Fugitive lawmaker Oleksandr Onyshchenko and Radical Party leader Oleg Lyashko have accused President Petro Poroshenko of wrongdoing involving the Ecology Ministry, which approves lucrative licenses for gas and oil exploration.

The Presidential Administration denied the allegations and accused Onyshchenko of cooperating with Russian intelligence agencies and getting a Russian passport, which he denies.
