The Ukrainian scam of the Biden family

05.12.2015

Author: Eugene Prosvirin

The news that the son of the US Vice President Joe Biden was appointed to the board of directors of the Ukrainian gas company Burisma Holdings, for the first time appeared in media last spring.

The Internet marked this new appointment unequivocally - a massive stamping folklore entertainment began in social networks. The story had got a special piquancy - Joe Biden's visit to Kyiv in April, where he took a place of the president of Ukraine, not the guest at the negotiation table.

There were even such headlines: "Hunter Biden: a rape of Ukraine with a special cynicism."

The hatred among the public was coursed by the fact that Biden's tandem participates not only in Ukrainian politics, but in the Ukrainian business as well. However, neither Joe nor Hunter weren't ashamed of their imperial approach. On the contrary, they have demonstrated that this could be and should be.

Hunter demonstrated his true management potential in six months after the appointment. In mid-October 2014 it became clear that he failed out of the US Navy Reserve. Hunter failed an ordinary drug test - it was accused of cocaine use. A failed sailor, but a successful businessman due to family ties, said then that he was "deeply sorry" about the incident.

He still owns an investment-consulting company Rosemont Seneca Partners. Nobody took his place in the chair Board of the US World Food Programme, which, with other things, works directly with the UN World Food Programme. He still heads the Burisma Holdings, part of Kolomoisky's financial empire.

A tandem of the influential father and the enriched son opened not a small window but a real portal of capabilities for the Biden family in Ukraine. Analysts make an unnerving forecast : it is quite possible that the Biden family will begin a large-scale privatization in Ukraine, which in fact would be a banal raider seizure of state enterprises. The family has already watched their six at the politician field - it's time to do American business .
