Subject: FOX News Crew Request
Date: Tuesday, November 3, 2020 10:22:00 PM

Hello,

The workers in the Absentee Ballot Processing area will get started again at 8 am tomorrow. Dave and the crew from Fox News are requesting to return to the area for additional live shots. The crew would like to be here from 9 am to 7 pm (end time may change). I can be here with them for part of the day.

Mr. Jones, could you please let your staff know that they will be here? I don't want to interrupt the process by them arriving without advanced notice.

Thank you!
