Tracy:

Do you want to pass this onto Drew. This is the crap I deal with, with this guy. Matt Shaffer is going to email him back. I think he has to give him his incident report that came through the victim, but I told him that he is getting nothing from me. The Andrew Oliver Stiffler is his attorney. Just wanted to pass this on.

I am contacting you to request that you release any and all evidence pertaining to any charge under investigation to me or my attorney to be able to fully prepare a defense for the university conduct trial. I am also requesting the security footage of Nair and Wilkinson entrances both front and rear from October 6th 12am to October 9th 12am. I am also requesting a copy of the letter from Tyrina Malloy to me that Shane White refused to release to me after I gave it to him during a private interrogation in my room. That letter is evidence and is critical to my defense in the hearing.
