Hi John — David says he's not available today for an interview about the Obama letters but possibly Monday. He will let me know. I will have the child hot car death story. Would you want the other one on the deadlines coming up for legislators (approps, farm bill, FISA) or something different? Thanks

Did you make the changes? Charles asked for an answer his questions

Yep, I answered all of the notes he left in the file before I sent my email for the immigration story

Chad Wolfe have some heat less worthy stuff for your article. Should be in transcript.

Ok I'll include him

Claudia Tenney is going to have a news conference tomorrow where she blasts the energy secretary. Can you cover and get us a fast file?

Hi John - Would like to help but I am out on parental leave until Sept. 25th. Here's my last update via email (screenshot below) in case you didn't see it. Thanks.

Will need you to write an Amer for Monday explaining the dynamics inside the GOP caucus post deal. I need to buy 11 PM tonight. Thanks.

Called twice, he didn't answer.

I was typing it into CMS but saw Ben already has it up.

I have the date of the candidate forum and planned speaker election

Ok. Put it out.

Doing the enterprise story still but I can do it as a quick separate

A senior congressional staff source told me Jordan would "electrify" the caucus. Scalise is well liked but Jordan would be a fresh start. He said many in the conference feel the same way. He confirmed Emmer is seeking majority leader. Wasn't aware of the package deal pitch but said Emmer has endorsed Scalise for speaker. OK to run with that?

House is convening at 3:25, not clear if it's for anything big

It was procedural

Hi John - I found a quote from KJP in 2021 saying walls don't work. Where did you see her recent quote about the wall? Haven't come across it yet. Madeleine is looking as well.

I'm hearing they killed the motion to raise the threshold for the speaker nominee to a simple majority. Adding it to the story now

Wed, Oct 11 at 1:41 PM

Already starting: "Leader Scalise won and it's not over. I'm still throwing my support behind Jim Jordan for Speaker. I'm not going to change my vote now or anytime soon on the House floor," Rep. Miller said (added to our story)

"I just voted for Jim Jordan for Speaker on a private ballot in conference, and I will be voting for Jim Jordan

on the House floor.

I like Steve Scalise, and I like him so much that I want to see him defeat cancer more than sacrifice his health in...

I'll add it

No vote today

Do you want a separate on that or add to main story?

Looks like it's shaping up to be a showdown whenever the vote occurs. I think the amount of votes that went for Jordan or others should be the theme of the overarching story

"I will be voting for Jim Jordan to be Speaker of the House on the floor when the vote is called.

In conference, Jordan received 99 votes and Scalise received 113.

We had a chance to unify the party behind closed doors, but the Swamp and K Street lobbyists prevented that. The..."

Jordan is apparently urging everyone to vote for Scalise but I recall Jordan endorsing McCarthy on the floor and they still went 15 rounds

There's another GOP conference meeting this afternoon so there might be some news coming out of that

Fri, Oct 13 at 5:08 PM

House is leaving for weekend. No vote scheduled. Jordan is

short.

My view is unless they do McHenry as a temporary speaker, they will have to look outside the House. Zeldin?

Multiple members saying no one in conference can get to 217

Sent some pics and video from the ground to Ben. I'll add to the fast file that's up when I'm back at the computer. Sent him some color from the scene in the meantime

Jordan not moving to third round in House speaker race and supporting McHenry as temporary speaker in CMS. Russell gave me a quote I can add

Russell said to cite it as a source familiar. It's in the file and Joe knows to alert

Conference meeting still going on and keeping an eye out for more news
