Hunter – What about whether to include your name in the same language in the Klewin engagement agreement? Do you want it in that one or no? The answer probably just depends on whether you want to stay involved in that matter vs just handing it off to us once it gets going.

I would include my name. I cc'd Devon to get his thoughts. I plan on joining the Board- but contingent on **Burisma** engaging BSF as legal counsel.

Hunter – See below for a sentence in the **Burisma** engagement letter related to the 100K engagement fee. My question is whether your name should be listed there or whether you would rather leave it out (because, for example, you are discussing your relationship with **Burisma** via Rosemont or some other entity/format). “The Client agrees that this fee is to be paid for the purpose of ensuring that Firm attorneys, including [HUNTER?,] Karen Dunn, Michael **Gottlieb** and Heather King are “on call” to provide legal services to Client at any time during the time period of the Engagement, and is not paid in consideration for the provision of any legal services by the Firm.”
