Re: Abe Hamadeh Expands Lead

On behalf of the Abe Hamadeh for Congress campaign, the Strategy Group Company conducted a districtwide survey of 620 likely Republican Primary voters from June 10 to 12, 2024. Responses were collected via live phone calls and text-to-web. The survey is weighted by age, educational attainment, ethnicity, gender, and geography and carries a margin of error of $\pm 4.2\%$.

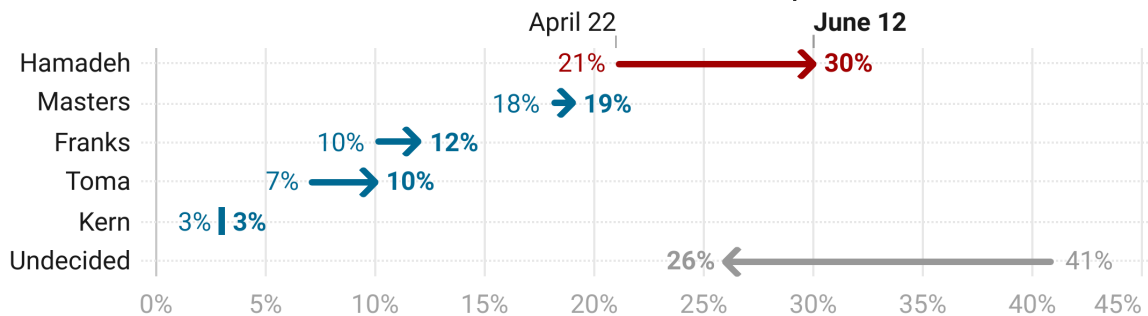

Abe Hamadeh has widened his lead:

If the Republican primary for Congress were held today, for whom would you vote?
