Morning Announcements

January 23, 2026

Good morning, Campus! We will now recite the Pledge of Allegiance. If you would like to join, please stand.

Student Council starts again this Monday, new members welcome! Please come to the Mobile after school!

Ready to bump, set, and spike? Intramural Boys Volleyball starts next Tuesday after school in the small gym! All boys are welcome — no experience required. Come have fun, learn the game, and play with friends! Questions? See Mrs. GG!

Attention all students interested in OPEN club - we will be meeting on Monday, 1/26 after school in room 411. See you there!

The Spectrum Group will be meeting next **Wednesday, January 28th**, in **Dr. Phelan's room, Room 108**. We'll be talking about **LGBTQ+ books and movies** and watching some **short films** together. If you're part of Spectrum or interested in being an ally, you're welcome to join us. We hope to see you there!

Friday:

Remember Mustangs to update your computers at least once a week. There are software programs and glitches that need to be fixed in order for you to have a running computer for success in your class.

Morning Announcements

January 26, 2026

Good morning, Campus! We will now recite the Pledge of Allegiance. If you would like to join, please stand.

Student Council starts again today! New members are welcome! Please come to the Mobile after school!

Ready to bump, set, and spike? Intramural Boys Volleyball starts tomorrow after school in the small gym! All boys are welcome — no experience required. Come have fun, learn the game, and play with friends! Questions? See Mrs. GG!

Attention all students interested in OPEN club - we will be meeting today after school in room 411. See you there!

The Spectrum Group will be meeting this **Wednesday, January 28th**, in **Dr. Phelan's room, Room 108**. We'll be talking about **LGBTQ+ books and movies** and watching some **short films** together. If you're part of Spectrum or interested in being an ally, you're welcome to join us. We hope to see you there!

Congratulations to all of the students who competed at the brain bowl tournament this weekend. Campus students had great success. There will be no practice this week, but we will resume practice next week.

Monday:

Campus Mustangs are on top of their schoolwork. Using your Agenda/Planner can help you to keep all of those deadlines in order. Making a list of your work each night will help you feel accomplished as you check off each one that you complete.

We'll be talking about **LGBTQ+ books and movies** and watching some **short films** together. If you're part of Spectrum or interested in being an ally, you're welcome to join us. We hope to see you there!

What's the first thing employers look for when hiring? **Customer service!** Are you interested in getting a job and earning some pocket money? Look no further than **Young Business Leaders**, where you'll learn valuable tips and skills.

Join us **this Thursday after school in the library! No prior meetings required—everyone is welcome!**

Tuesday:

Stay organized Mustangs by cleaning out your backpacks and personal spaces. Also, it doesn't hurt to clean out your virtual spaces like your Google Drive and your email inboxes. Staying organized is an important part of your learning and growth as a healthy Mustang.

Hey students! Are you looking for a class that actually helps you succeed *and* feels like a community? **AVID** might be for you! AVID is all about learning smart strategies for school, getting ready for college and careers, building confidence, and having people in your corner who support you. Plus—we have **fun activities, awesome teamwork, and field trips to colleges and universities** so you can picture your future for real. If you're motivated, curious, and ready to grow, **apply for AVID today!** Applications are on your **grade-level Schoology page** and are due **February 6th**. Don't miss out—your future self will thank you!

Wednesday:

Today is Pathways Day Campus. Did you notice that our teachers and staff are wearing spirit gear from colleges, universities, companies and the armed forces? Ask them about their pathways after high school and why they chose them. Maybe you will follow in their footsteps!
