Thank you very much, Matthias. We will share this with our entire team.

Best regards from Washington,
Eric

Subject: Immediate Steps - current version

Dear Eric,

thank you for organizing today's VTC. We think it was helpful in streamlining our efforts. In the spirit of our good cooperation, please find attached the latest version of our paper "Strengthening the ceasefire – Immediate steps" as agreed with Kyiv and as shared with Surkov yesterday. So far, we have not received comments on this version.

Best wishes

Matthias
