Like each of us, [#Hillary](#) can at times be her own worst enemy.

Like few of us, [#Trump](#) is the worst enemy of all that's good in the USA.

I understand and agree, and I know it's heresy, but when you study the section of the original Penn as it met the street, it's fairly clear to me that both McKim and Cassat were scared of the then African American Tenderloin around them and designed defensively against it.
